

## A Message from Scott Hyde

Hi and welcome to our latest newsletter! I wanted to use this space to give a personal update as well as an update on what is happening over the coming months for Beltone Hearing Centre. I hope you enjoy reading this.

As many of you know, Lora and I have four beautiful children, Samuel (7), Jonathan (5), Nico (almost 3) and our latest addition, Audrey (1). We are delighted with our children and are very happy to have a little girl in our home. The two older boys have had a very busy summer playing baseball and other sports and have been part of many daycamps and other fun activities. Nico will be playing T-Ball and doing some swimming lessons and Audrey has been busy being cute! Whoever said that time flies wasn't kidding.

On the business front, many of you have met the newest face to join our Beltone team, Lavina! Lavina has been full time with us since March and it's a pleasure to work with her. In case you weren't aware, Sue has requested a reduced workload so she can spend more time on Gramma duty among other things so as a result, we've hired Lavina. You can read a little bit about her

later in this newsletter. Sue has worked with us for over ten years, making sure that your appointments are smooth and timely, among many other things. She will continue with us in some capacity behind the scenes, so there still will be times you'll see Sue.

It's also getting closer to October again - you know what that means - our battery sale is coming up very soon. That means big savings of 50 percent on batteries for the whole month of October. Don't miss out! Further our pancake breakfast was a big success last year and so we will be planning our fifth annual breakfast this summer. You can read all about the details in this newsletter.

Lastly, I'd like to share another heartfelt thanks. If you are reading this newsletter, you are a valued Beltone customer. I know there are many hearing clinics to choose from and I would like you to know that I appreciate you and your business. I am thankful for each one of you. Without you this business would not exist. So thank you once again and I look forward to seeing each of you soon.

"Now that you got that new hearing aid, Granddad, I can hear you a lot better."

## Meet Lavina!

Many of our patients have met our new Hearing Care Coordinator, Lavina (lav-eye-na). Lavina heard about this position through the church that we both attend. She finished her Nursing Unit Clerk certificate program in March of 2017 after a practicum at Eagle Ridge Hospital through the University of the Fraser Valley in Abbotsford. Lavina decided to return to university in September 2016 after graduation from Trinity Western University in 2001 with degrees in Human Kinetics and Psychology. Lavina has many years of experience in kinesiology & rehabilitation and has a passion for volunteering with her family in several community groups. Make sure to say hi to Lavina next time you are in the Langley office!
