

A Message from Scott Hyde

Merry Christmas and Happy New Year to all our dear patients. I trust this greeting finds you well. I'd like to thank you for your support this year and would like to take this opportunity to update you on my family as well as our business.

Our family continues to thrive. We have four children, in case you did not know- Sam (13), Jonny (11), Nico (9) and Audrey (7). They are a blessing and are happy and healthy kids. Sports at school and in the community keep them (and us!) busy, and they all are also doing well academically. People are right when they say that kids grow up too fast! Thank you for supporting our family-run business and enabling them to do so well.

On the business side, 2024 has been a very fun year. We now have four locations in the Fraser Valley to serve you and are very excited about 2025. I'd like to update you on some new additions to our team. Sadly, in September of this

year Faith Klassen, who worked at our front desk in Abbotsford, retired. She has worked with us since 2015, and we will miss her very much. As a result, we brought on a new team member, Matteya Tuininga. Matteya is doing very well, and we are happy to have her on board. Also, we have a new Hearing Aid Practitioner, Adam Lehmann. Adam just successfully completed his licensing exam and will primarily be working with Matteya in our Abbotsford location. We have also just completed some renovations in our Abbotsford location. Be sure to pop in to have a look and say hi to our new team members.

We look forward to 2025. From the bottom of my heart, thank you for supporting us at Fraser Valley Beltone. We are committed to serving you and being good members of our community.

Merry Christmas and Happy New Year. All the best to you in 2025!

OUR HOLIDAY GIFT GUIDE

Are you looking for a unique Christmas gift or stocking stuffer? We may have just the item for you! Here's our top 8 gift ideas:

1. **Multi-Mic+** - this new portable microphone pairs seamlessly with Beltone Serene hearing aids allowing you to easily pick up the voice of one or multiple speakers
2. **TV-Streamer+** – this new device makes it possible to get your entertainment delivered directly to your Beltone hearing aids. Simply connect and enjoy immediate sound streamed straight to your hearing aids, allowing you to adjust the volume in your hearing aids without interfering with the TV speakers
3. **Dry Aid Kit for Hearing Aids** – this starter kit will absorb and remove moisture from hearing aids and ear molds
4. **HearSkins** – Add flare and personality to your BTE or RIC hearing aids with these peel and stick patterned decals, designed with a universal fit and easily removable so you can change up your look to your heart's content
5. **Hearing Aid Cleaning Kit** – includes 5 tools needed for daily hearing aid cleaning: wax removal brush, wax removal pick, tube & vent cleaner, battery door opener, battery replacement magnet
6. **Music Impact Noise Reducer** – this specialized hearing protector reduces discomfort from loud impact music while improving listening pleasure. These unique ear plugs are designed to allow low level sounds to pass through to reach the ear canals, while an internal diaphragm blocks loud impulse sound.
7. **SmartShaker 3 Wireless Alarm** – For people who can't hear a traditional alarm clock, are heavy sleepers, or want a soundless alarm, this device is placed under your pillow and will wake you with its powerful vibration. This wireless alarm is connected and set using your smart phone with the SmartShaker app.
8. **Fraser Valley Beltone Gift Certificate** – Whether it's for an accessory, hearing aid batteries, custom ear protection or for the future purchase of Beltone hearing aids, we can provide a gift certificate for your loved one to use in our clinic.
